2. Exempt Annual Subscriptions - User Categories :

The categories of users concerned are:

- Physical or moral entities having participated in financing the port:
1 free annual subscription per berth, a second one can be purchased for a fee of 48 €
- Managers or employees of businesses paying port charges, as well as employees of the port operating company:
- Shops located in the marina: 2 annual subscription per cell per year
- Marina personnel 1 annual subscription per employee
- Professional fisherman 1 annual subscription per fisherman within the
Limit of 8 professional fishermen
(whose boats are moored long term in the
marina)
- Representatives of the administrations, police, or health and safety services concerned in the
performance of their duties: 1 annual subscription per administration
or service

The subscription includes the cost of the parking badge.

3. Paid subscriptions – User Categories:

The categories of users concerned are:

- Seasonal tenants of public or private berths
- Yachting professionals who are not domiciled in the marina and frequently work on the marina's premises ; these professionals benefit from a 50% discount (on presentation of proof of profession or a trade register copy).
- Permanent crew members working aboard yachts moored in the port
- Customers of port businesses:
In order to be more accessible to their customers, retailers in the marina can buy exit tickets, so that each customer can park for the whole day in the marina's car park (marked by * below).
- Yacht owners or crew members, anchored off the port, parking their vehicles in the port (rates indicated below in the « Yachting » section)
